

Welcome to eM Client

Welcome to eM Client

This wizard will help you set up eM Client's interface to fit your needs. Decide if you want to use Conversations, Inbox Categories, badge to indicate Recent messages and AI tools. All of these features can be configured any time later in the settings.

[Learn more](#)

Custom setup **(Recommended)**

Walk through the steps to learn about these features and decide for each feature separately.

Standard setup

Use Conversations in all views, enable Categories, Recent badges and AI tools.

Simple mode

Do not use Conversations, Categories, Recent badges and AI tools.
